STEPS TO BECOMING A CANDIDATE

STEP 1: Are You Qualified to Run for Office?

School or Special District: must be a registered voter of the district in which he/she seeks office and reside in the district during incumbency.

Anderson-Cottonwood Irrigation District: must be a property owner of the district as well as a resident of the division which s/he represents at the time of filing the Declaration of Candidacy and during the entire term.

City Council: must be a registered voter and otherwise qualified to vote for that office at the time nomination papers are issued and must also file the nomination petition containing 20-30 signatures and reside in the city during incumbency.

STEP 2: File Necessary FPPC Forms

Please refer to Campaign Disclosure Manual 2 (05/2007) and the current FPPC Addendum for further details on filing requirements. You may also contact the FPPC for additional information and assistance with filing questions at 866-275-3772 or online at www.fppc.ca.gov. There are other forms you may be required to file as your campaign progresses. These forms are available at the local Election Official's office or the FPPC website.

Candidates who WILL NOT accept contributions from other persons and whose total expenditures from personal funds will be less than \$1,000 in a calendar year, will file the following:

Form 501 - Candidate Intention Statement

Form 470 - Officeholder and Candidate Campaign Statement—Short Form

EXCEPTION: Form 501 is NOT required if you will not solicit or receive contributions from other persons and the ONLY expenditures will be from your personal funds used for the filing fee and/or candidate's statement of qualifications in the Voter Information Pamphlet.

Candidates who WILL accept contributions from other persons totaling less than \$1,000 and who will make expenditures totaling less than \$1,000 (excluding personal funds used to pay the filing fee and/or candidate's statement of qualifications fee) in a calendar year, will file the following:

Form 501 - Candidate Intention Statement

Form 470 - Officeholder and Candidate Campaign Statement—Short Form

You must also open a campaign bank account. All personal funds of the candidate must first be deposited in a bank account, except for filing fee/candidate's statement fee.

If after filing a Form 470 Short Form, the candidate's total contributions or total expenditures for the calendar year exceed \$1,000, written notice is required to be sent within 48 hours of reaching that threshold. Form 470 Supplement (available at the Election Official's office or online at www.fppc.ca.gov) must be sent to the Secretary of State, a copy to the local filing officer and a copy to each candidate seeking the same office. The 48-hour notice must be sent by telegram, guaranteed overnight delivery service or facsimile transmission. Regular mail may NOT be used.

Candidates who expect to receive or spend \$1,000 or more (or a candidate who had filed a Form 470 Supplement) shall file the following:

Form 501 - Candidate Statement Intention (unless previously filed)

Establish a campaign bank account at a financial institution located in the State of California.

Form 410 - Statement of Organization within ten days of receiving \$1,000 in contributions (including personal funds). The original and one copy must be filed with the Secretary of State and a copy filed with the local filing officer. You will receive written notification from the Secretary of State's office assigning an identification number to your committee.

Once you have filed your Form 410 and have been assigned an ID number, you will file the Form 460-Recipient Committee Campaign Statement with the local filing officer according to the filing calendar set by the FPPC. (See page 11) All recipient committees must file the Form 460 by the appropriate deadlines for each filing period. If you do not file your campaign statement by the deadline, you are subject to a fine of \$10 per day from the date the statement is due until the date it is filed. There are no extensions to the deadline under any circumstances.

Upon the completion of your campaign, and once you have exhausted all campaign funds, a Form 410 is filed to terminate your committee. A Form 460 Termination Statement must be filed at the same time.

All committees must file by the deadline and must report for the period set by the FPPC. These dates are set by law and cannot be changed. You will be required to amend your statement if your report is not completed correctly. An UNSIGNED form is considered incomplete and will not be considered filed until it is signed. It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner. All committees should file with the appropriate method of delivery, as indicated on each form. Failure to file or late filings could result in monetary fines.

See Page 11 for Campaign Disclosure Filing Schedule

For certain offices the law provides for investigations and audits of campaign statements. Candidates and committee treasurers should keep complete records and be prepared to submit supporting documents if such are requested.

Additional Notes:

Primarily Formed Ballot Measure Committees: Prior to the semi-annual period in which the measure(s) supported or opposed is being voted on, committees must file quarterly campaign statements in addition to semi-annual statements. Following the election, quarterly statements may also be required. Contact the FPPC for specific information.

Candidates: Contact the FPPC for revised reporting deadlines in the event of a runoff election. After an election, reporting requirements will depend on whether the candidate is successful and whether a campaign committee is maintained.

Late Statements: Except for deadlines that fall on a Saturday, Sunday, or an official state holiday, there is no provision in the law for extending a filing deadline. Late statements are subject to a \$10 per day late fine.

All statements are public documents.

Local jurisdictions may impose contribution limits and additional filing requirements.

State committees making contributions or independent expenditures in connection with local elections should contact the FPPC for reporting requirements.

Disclosure manuals and other information on campaign reporting can be found on the FPPC website (www.fppc.ca.gov). Be sure to check the website for up-to-date information.

Brief Description of FPPC Forms

Form 501-Candidate Intention Statement: To be filed before any contributions solicited or received, and before any campaign expenditures are made from personal funds. A new Form 501 must be filed for each election, even if the candidate is running for reelection. Candidates for local offices file with the local filing officer and candidates for state and judicial offices file with the Secretary of State. The form 501 is considered filed when it is placed in the mail. The date of postmark is the date filed.

Form 470-Officeholder and Candidate Campaign Statement-Short Form: May be filed by a candidate or officeholder who does not anticipate raising or spending \$1,000 or more in a calendar year. Payments from the candidate's personal funds used to pay filing or ballot statement fees do not count toward the \$1,000 threshold.

Form 470 Supplement: If a candidate files a Form 470 and later receives contributions of \$1,000 or more or makes expenditures totaling \$1,000 or more prior to the election, within 48 hours the candidate must send a Form 470 Supplement to 1) Secretary of State's Office; 2) Each candidate seeking the same office; and 3) City or county clerk, or county registrar of voters, if the candidate is running for a city or county office.

Form 410-Statement of Organization: A person or group that receives \$1,000 or more in contributions in a calendar year qualifies as a recipient committee and must file Form 410. The original and one copy are filed with the Secretary of State within 10 days of receiving \$1,000 or more and a copy with the local filing officer. Upon receipt of the Form 410, the Secretary of State's office will assign the committee an identification number. It may be filed prior to raising \$1,000 and then must be amended within 10 days of reaching the \$1,000 threshold. This form is also used to change information regarding the committee contact information and to terminate the committee when all funds have been exhausted.

Form 460-Recipient Committee Campaign Statement Long Form: Candidate controlled committees use this form to report campaign activity for all semi-annual, special odd-year, pre-election, and supplemental pre-election statements. A controlled committee is one which is controlled directly or indirectly by a candidate or which acts jointly with a candidate or controlled committee in connection with the making of expenditures. Form 460 can be filed as a pre-election statement, a semi-annual statement, a termination statement or as an amendment to a previously filed statement. Candidates for local offices file with the local filing officer and candidates for state and judicial offices file with the Secretary of State.

Form 496-Late Independent Expenditure Report: For use in reporting a monetary or non-monetary contribution that totals \$1,000 or more from a single source that is made to or received by a candidate, a controlled committee, or a committee primarily formed to support or oppose a candidate or measure AND is made or received during the 16 days immediately prior to the election. A late

contribution includes contributions from a candidate's personal funds to his/her campaign committee during the late contribution period. The Form 497 is filed with the local filing officer within 24 hours of receiving OR making a late contribution. Regular mail may NOT be used to file this form.

STEP 3: Have Nomination Petition Signed

1. Pick up nomination papers between the 113th (July 13, 2009) and the 88th day (August 7, 2009) before the election from the Shasta County Elections Office. (If there is an extension of the Declaration of Candidacy Filing Period August 12, 2009 is the last day to file.) EC§ 10220
2. Circulators of petitions shall be registered voters in the district or political subdivision in which the candidate is to be voted on and shall serve only in that district or political subdivision. EC§ 10220, 10222
3. Collect not less than 20 and no more than 30 valid signatures. EC§ 10220

This must be witnessed by one person who subscribes their name thereon. EC§ 100.5
 - The circulator and the candidate may sign Nomination Papers that he/she is circulating, if otherwise qualified to sign such papers. EC§ 106

**There are TWO seats open for the City of Shasta Lake.
Voters may sign nomination papers for one candidate
running for EACH seat.**

4. Once nomination papers are filed with the Elections Office, they may not be returned to the candidate to obtain additional signatures. If the filing is determined to be insufficient, a copy will be provided to the candidate with an indication on which signatures are valid, and issue one supplemental petition

to collect additional signatures. The supplemental petition has the same due date as the original. EC§ 10221 (b)

5. No signatures will be found valid on a petition unless the Affidavit of Circulator is completed correctly and in full. EC§ 10222 The Affidavit of Circulator must contain:
 - Circulation beginning and ending dates within the nomination petition-filing period.
 - The circulator's name, voting residence, and signature.
 - All blanks in the certificate must be filled and the information personally affixed in the circulator's own handwriting in order for the elections official to accept the nomination papers for filing. EC§ 104

6. If the circulator is registering new voters while gathering petition signatures, the Voter Registration Card must be dated on or before the ending circulation date on the Affidavit of Circulator and must reach the election Department on or before the date of the filing of the petition. Any completed voter registration card must be returned to the elections office within 3 days of receipt by individual or organization. EC§ 2102 (b), 2138
7. Nomination papers must be filed with the County Elections Department, 1643 Market Street, Redding no later than 5:00 P.M. on Friday August 7, 2009.

Dates to Remember for Nomination Papers

- Petitions Available: July 13, 2009
- Petitions Due: No later than 5 p.m. August 7, 2009
- Supplemental Petitions Due: No later than 5 p.m. August 7, 2009

STEP 4: Complete Candidate Statement of Qualifications EC§ 13307

Who Writes One: Each candidate for nonpartisan elective office may prepare an optional candidate's statement. The candidate's statement is designed to acquaint voters with a candidate's qualifications for the office he/she is seeking. The candidate's statement is incorporated into the Sample Ballot and Voter Information Pamphlet, and will be mailed to all registered voters eligible to vote for that particular candidate.

When to File: Candidates file their Statement of Qualifications along with the estimated deposit when they file their Declaration of Candidacy.

The Cost: Estimated costs for Statements of Qualifications are based on the printing costs of a single page for the sample ballots to be mailed to all registered voters eligible to vote for that particular candidate. Candidates are asked to pay the deposit of one statement per page. Refunds may be reimbursed if more than one statement for the same office is printed on a page. Estimates are based on current figures and may be subject to change when the final printing charges are billed. Refunds, if any, are made AFTER the election when the final bill from the Printer has been received.

See page 17 for the estimated costs for the current election.

Multi-County: If a candidate is running for an office where the district extends into another county and the candidate wishes to have their candidate statement printed in that county, it is the candidate's responsibility to submit their candidate statement to that county, and pay them directly for its publication.

Changing or Withdrawing: Candidate statements may not be changed once they are filed. They may be withdrawn in writing during the period for filing Declarations of Candidacy. For the current election that date is: July 13, 2009 through August 7, 2009 (ext. August 12, 2009).

Candidate Statements remain confidential
until the expiration of the filing deadline. EC§ 13311

The statements will be printed in the order
determined by the random alphabet draw. EC§ 13112

Candidates wishing to list endorsements on their candidate statement must have
the Permission Slip of Endorsement form completed
by the person endorsing them.

Guidelines for the Candidate's Statement

- No more than 200 words.

- Must be in essay form; no enumerated lists or outlines allowed.

- Shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities.

WASHINGTON UNIFIED SCHOOL DISTRICT	
ELITA P. SNODGRASS Occupation: Businesswoman	Age: 45
I am running for the governing board of the Washington Unified School district because I feel I can bring a balance to the board. I attended local schools, graduating from Washington High School in 1980. I am married and currently have two children attending school in the district.	
I own and operate my own business, so I am well aware of the need to operate within a budget. With proper distribution of resources and educational materials I am convinced we can offer quality education to all students within the district.	
I have been active in the P.T.A., served on the Save Our Youth committee, and I'm an active member of the All-Faith Church. I have served as Boy Scout Den Mother and Girl Scout Leader for the past 3 years. I also serve as a volunteer at the Community Recycling Center as time allows.	
I am looking forward to serving you on the Washington Unified School District Governing Board.	
Thank you for your vote.	

PLEASE PROOFREAD YOUR STATEMENT

Indigent Candidate - EC§ 13309

What if I can't afford the cost of a Candidate Statement?

(a) Notwithstanding Section 13307, if a candidate alleges to be indigent and unable to pay in advance the requisite fee for submitting a candidate statement, the candidate shall submit to the local agency a statement of financial worth to be used in determining whether or not he or she is eligible to submit a candidate statement without payment of the fee in advance.

(b) The statement of financial worth required by this section shall be submitted by the candidate together with his or her candidate statement in accordance with the

deadline specified in Section 13307. The statement of financial worth form shall be furnished by the local agency, and may include questions relating to the candidate's employer, income, real estate holdings, tangible personal property, and financial obligations. The candidate shall certify the content of the statement as to its truth and correctness under penalty of perjury. The candidate shall also sign a release form of the candidate's most recent federal income tax report. (c) Upon receipt of a statement of financial worth, a determination shall be made by the local agency of whether or not the candidate is indigent. The local agency shall notify the candidate of its findings. (d) If it is determined that the candidate is not indigent, the candidate shall, within three days of the notification, excluding Saturdays, Sundays, and state holidays, withdraw the statement or pay the requisite fee. If the candidate fails to respond within the time prescribed, the local agency shall not be obligated to print and mail the statement. (e) If the local agency determines that the candidate is indigent, the local agency shall print and mail the statement. (f) Nothing in this section shall prohibit the elections official from billing the candidate his or her actual pro rata share of the cost after the election.

STEP 5: Select Ballot Designation

Candidate Name

The candidate name on the ballot may be designated as follows:

First, middle and last names; initials only and last name; a nickname may be included but must be in parentheses () or quotation marks “ ”; a familiar short version of the first name, such as “Bill” for “William”, “Sue” for “Susan” or “Jim” for “James”.

No titles or degrees are allowed in the ballot name. (EC§ 13106)

A change in legal name is not allowed unless the change was made by marriage or by decree of a court. (EC§ 13104)

Occupation on Ballot-EC§ 13107-13107.5

The listing of an occupational designation on the ballot is optional. Only one of the following categories is allowed:

Principal Occupation — No more than three (3) words to describe the principal profession, vocation, or occupation may be used by the candidate. (California geographical names are considered only one word.)

Incumbent — The word incumbent may be used if the candidate is seeking re-election to the same office.

Appointed Incumbent — The words “Appointed Incumbent” may be used if the candidate was appointed to the office and seeking election to that same office. The word “Appointed” may also be used with the office title. Exception: Candidates appointed to office in-lieu of an election do not have to use the word “Appointed.”

Elective Office Title — Words describing an elective office title may be used if the candidate holds the office at the time nomination papers are filed and the office was filled by a vote of the people.

No Occupational Designation Desired — Write the word “None” in the space on the nomination papers designated for occupation to appear on the ballot.

Community Volunteer — “Community Volunteer” shall constitute a valid principal vocation or occupation subject to the following conditions:

- 1) A candidate’s community volunteer activities constitute his or her principal profession, vocation, or occupation.
- 2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
- 3) A candidate may not use this designation in combination with any other principal profession, vocation, or occupation designation.

Neither the Secretary of State nor any other elections official shall accept a designation of which any of the following would be true:

- It would mislead the voter.
- It would suggest an evaluation of a candidate, such as outstanding, expert, or virtuous.
- It abbreviates the word “retired” or places it following any word or words it modifies.

- It uses a word or prefix, such as “former” or “ex-,” which means a prior status.
- It uses the name of any political party.
- It uses a word(s) referring to a racial, religious, or ethnic group.

Basic Test:

Is it true? Is it accurate? Does it mislead? Is it generic? “IBM” is out “computer company” is okay; is it how this person makes a living? The elections official shall notify the candidate if an occupational designation is in violation of the above restrictions. If an alternative designation is not provided, no occupation will appear on the ballot.

THE OCCUPATIONAL DESIGNATION CAN NOT BE CHANGED AFTER THE FINAL DATE TO FILE NOMINATION DOCUMENTS

STEP 6: File the Declaration of Candidacy

Filing Period: July 13 – August 7, 2009
EC§ 8028

A candidate shall execute the declaration of candidacy in the office of the elections official and it shall not be removed from the office of the elections official.

A candidate may, in a written statement signed and dated by the candidate, designate a person to receive a declaration of candidacy form from the elections official and deliver it to the candidate.

Only official documents issued by the County Elections Official may be used. The Oath of Office will be administered and then again when seat is taken.

All potential candidates wishing to file candidacy paperwork must call 225-5730 to make an appointment to come into the County Clerk/Elections office at 1643 Market St. located at the south end of the Downtown Redding Mall.

Candidate completes an application which has registration information, name as it is to appear on the ballot, occupational designation, campaign contact information and a receipt of paperwork completed.

The following documents will be issued and explained to each candidate:

1. Declaration of Candidacy / Oath of Office
2. Nomination Petition/Signature-in-Lieu Petition (if needed).
3. Form 501— Candidate Intention Statement
4. Form 470—Officeholder & Candidate Campaign Statement (short form-<\$1,000)
5. Form 470/Supplement—if candidate goes over the \$1,000 threshold
6. Form 410—Statement of Organization

7. Form 460— Recipient Committee Campaign Statement (long form->\$1,000)
8. Form 700—Statement of Economic Interest
9. Code of Fair Campaign Practices (optional form to sign)
10. Permission to Post—Contact information on the county’s web-site
11. Candidate’s Guide
12. Campaign Disclosure Manual 2 (FPPC)
13. Candidate Statement of Qualifications Form (optional)

No candidate shall withdraw his or her declaration of candidacy after 5 p.m. on the 88th day prior to the general district election. EC§ 10510

If an INCUMBENT fails to file, the filing period is extended to Wednesday, August 12, 2009 for anyone other than the incumbent(s). EC§ 8024

WRITE-IN CANDIDATES

EC§ 8600-8605

In order for write-in candidates’ votes to be tabulated, they must file the same documents as any other candidate between the 57th day and 14th day prior to the election. Because the 57th day lands on a holiday the filing period for write-in candidates will begin Thursday, September 8th and go thru Tuesday October 20th 2009. *Only votes for qualified write-in candidates will be tabulated.*

INCOMPATIBLE OFFICES

The common law doctrine of “incompatible offices” restricts the ability of public officials to hold two different public offices simultaneously if the offices have overlapping and conflicting public duties. Courts have summarized the doctrine as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.” (Eldridge v. Sierra View Local Hospital District, supra.)

Under the Political Reform Act, a public official may not participate in a decision if it is reasonably foreseeable that the decision will have a material financial effect on one of the official’s economic interests or on the official him or herself. (Sections 87100 and 87103.)

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible offices contact the Attorney General’s office at (916) 324-5437 or visit their website, www.caag.state.ca.us.

The State of California Attorney General’s Office has issued opinions of particular compatibility questions. Here are six examples of incompatible offices:

1. The offices of city councilman and school district board member where there is common territory;
2. Fire chief of a county fire protection district and member of the board of supervisors of the same county;

3. High school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. Water district director and a city council member;
5. Water district director and a school district trustee having territory in common; and
6. Deputy sheriff and county supervisor.

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of California has a moral obligation to observe and uphold, in order that, after vigorously contested, but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties which merit such criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on race, sex, religion, national origin, physical health status, or age.
- (4) I SHALL NOT USE OR PERMIT any dishonest or unethical practice which tends to corrupt or undermine our American system of free elections, or which hampers or prevents the full and free expression of the will of the voters including acts intended to hinder or prevent any eligible person from registering to vote, enrolling to vote, or voting.
- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of California or treasurer or chairperson of a committee making any independent expenditures, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.

Dear Candidate or Committee Member:

As a candidate or campaign worker for either office or a ballot measure, this reminder about State law governing campaign signs should be helpful to you.

A Temporary Political Sign meets the following criteria:

- B. Is placed no sooner than 90 days prior to the schedule election and is removed within 10 days after that election.
- C. Is no larger than 32 square feet.
- D. Has had a Statement of Responsibility filed with the Department certifying a person who will be responsible for removing the sign (Attached).

The entrance is deemed to be the room or rooms in which voters are actually signing rosters and casting votes.

Poll Watchers

Poll watchers are allowed at the polling place as long as they obey the law and election procedures. Persons observing the polls may: 1) inspect the Roster of Voters. Any such inspection, however; must be done without impeding, interfering or interrupting the normal process of voting and counting; 2) inspect the Public's Alpha Index update regularly by the precinct workers. The index may not be removed from the polling place; 3) observe all activities at the polling place including activities after the polls close, providing they do not interfere with the normal processing of voters.

VOTER REGISTRATION

The last day for any new Shasta County resident to register to vote in this election is Monday, October 19, 2009. Registration closes 15 days prior to an election.

If a voter moved within the county on or before the close of registration and did not reregister at the new address, he or she may vote and reregister for future elections EITHER at the county election office OR at the polling place where they now live. If the voter moved AFTER the date shown, the voter may vote a vote-by-mail ballot or at the polling place for the current or previous address for this election only. Then the voter must reregister and vote at the new address for future elections.

If a voter discovers after the close of the regular vote-by-mail period that he or she is unable to go to the polls because of illness, handicap, or a condition that forces an absence from the precinct on Election Day, they may still vote a vote-by-mail ballot in the Elections Department office up to 8:00 p.m. on Election Day providing certain conditions are met.

FACTS OF BALLOT COUNTING

Candidates are frequently surprised on the day after a major election when they learn that there are between 5,000—8,000 ballots countywide remaining to be counted. These uncounted ballots may leave some close races undecided for days or even weeks. This page is included as a courtesy to explain the logistics of election night ballot counting and follow-up ballot tabulation, which occurs in the days/weeks following the election.

- California law mandates 28 days to complete the final, official canvass and certify the results of the election.
- The official canvass of returns will begin no later than Thursday, November 5, 2009.
- Election returns will be counted at the Elections Department at 1643 Market Street Downtown Redding.
- The results of the vote-by-mail ballots will be released shortly after 8 p.m. and unofficial results from the precincts will be released during the course of the evening as appropriate.
- Current election results can be found on the County's website at www.elections.co.shasta.ca.us.

Three categories of ballots which cannot be completely processed on election night:

- Vote-by-mail ballots turned in at polling site
- Provisional ballots voted at the polling site
- Write-in ballots

Vote-by-Mail Ballots Turned In at Polling Site

We receive these ballots very late on election night. The ballots inside these envelopes can not be removed and prepared for counting until the voters signature on each ballot has been verified.

Provisional Ballots

These ballots are voted at the polls when a voter's registration is in question, or our records indicate the voter was already sent a vote-by-mail ballot. Provisional ballots must be individually researched and verified at the Registrar's Office before ballots are counted or rejected in accordance with election laws.

Write-In Ballots

Each ballot containing a write-in vote must be individually reviewed. Resolution of vote tallies for write-in candidates are not available until the conclusion of the official canvass.

FAQ'S BY CANDIDATES

Is your office open during the lunch hour?

Yes, office hours are 8:00 AM - 5:00 PM, Monday through Friday, excluding holidays.

What if I change my mind about being a candidate after filing nomination papers?

No candidate shall withdraw his or her declaration of candidacy after 5 p.m. on the 88th day prior to the general district election. EC§ 10510(a)

May I change the wording/spelling on my candidate's statement after submission?

No, you may not. Check your candidate's statement carefully before submitting. EC§ 13307

If I submit a voluntary candidate's statement and I change my mind, may I withdraw the statement?

Yes, the candidate's statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 PM of the next working day after the close of the nomination period. EC§ 13307

May my spouse, friend, or campaign manager pick up my nomination documents for me?

Yes, all forms must be either picked up in person by the candidate or the candidate's representative must present a letter of specific authorization, signed by the candidate. EC§ 8028(b)

May my spouse, friend, or campaign manager file my nomination documents, or can I mail them to you?

Election law does not specifically prohibit another person filing nomination papers for a candidate, or the documents being filed by mail. Candidates, however, are urged to file in person. The reasons are twofold:

(a) The Declaration of Candidacy is not to be removed from the office of the Registrar of Voters (except as provided in EC§ 8028).

(b) A member of the Registrar of Voters staff, a qualified public officer, or a notary public must administer the oath or affirmation, which is a part of the declaration form. It is much easier for a candidate to file in person and have the oath administered at the time of filing.

Why is there so much paperwork involved in being a candidate?

Election law specifies documents required, as well as format, filing dates, etc.; the filing requirements are not discretionary.

I am unable to complete and file my campaign disclosure statement by the filing deadline. May I obtain an extension?

No, there is no provision in the Political Reform Act which permits any filing officer to extend a filing deadline. Statements which are filed late are subject to a fine of \$10 per day until the statement is filed.

What happens if some of the signatures I obtain on my nomination papers are not registered voters, or do not live within the district I seek to represent?

File your nomination papers early to avoid the consequences of a problem of this type. The Elections Official must certify the signatures on nomination papers. If you wait until the last day to file and your sponsors' signatures for any reason are insufficient, you will not have qualified to be a candidate. If you file early, there will be time to check the signatures and notify you of any insufficiencies and you may have an opportunity to submit supplemental signatures on your nomination papers.

What determines the order in which my name and other candidate's names will appear on the ballot?

A randomized alphabet drawing for the Election will be conducted by the Secretary of State's Office after the date for close of nominations. In addition to the randomized alphabet, Elections Code§ 13111 provides for the rotation of names of candidates for many offices by Assembly district, and for other offices by supervisorial district. The names of candidates for other offices are not rotated, but placed on the ballot solely on the basis of the randomized alphabet.
