SHASTA COUNTY CLERK/REGISTRAR OF VOTERS

JULY 2016

Post Election Day

Thank you for serving at the polls on Election Day. You are a vital link between the Shasta County Clerk/Registrar of Voters and the voting public. You served 36,000 + voters in 86 precincts in Shasta County. You are one of 386 poll workers who attended training. Thank you for your dedication, cooperation and professionalism. I was inspired by the many poll workers who attended more than one class, stayed after class to train on the voting machine, read emails, newsletters and took practice quizzes. You rock!

High school students

Shout out to our amazing 29 high school students! Many veteran inspectors requested high school students to be on their team. High school students are typically motivated, bright and strong. This proved to be true at the poll site during this election.

ROVERS

Double shout out to the ROVERS! Registrar of voter's emergency response specialist (ROVERS) a dedicated group of men and women who provide quality control and assist the poll workers throughout Election Day.

Standby poll workers

An important group of poll workers ready to serve at the polls on a moments notice. Thank you for your flexibility, patience and faithfulness.

Election officers

It was amazing to see so many great citizens who care about our community and our democracy to give 15+ hours to help ensure the rest of our community can vote. To all the poll workers, standbys, students and ROVERS volunteering to serve our community, THANK YOU. Your respect, courtesy and assistance during the long days at the polls proved to be critical to the success of conducting this election.

Election Day Feedback:

Precinct 343

"I just wanted to send a note about the wonderful job that our newbie inspector, Georgette, and her assistant, Denise, did yesterday. They were both calm in the face of some interesting obstacles and managed their three new clerks (myself included) with humor and sensitivity. Consequently, I found the entire poll tending experience interesting, educational, and even fun. Although the hours were a bit longish. I would certainly serve with them again.

Precinct 1006

"Thanks for giving me opportunity to serve my community and nation in an vital aspect of our democracy. I would be honored to be a poll clerk again."

Precinct 912

"It was a pleasure, and fun!! I'm glad I can participate!!"

Precinct 970

"It was good. Definitely boring at times, and there were some long stretches. But I would say it was worth 100 bucks and being able to allow people to vote in that precinct. I'm happy I did it!

Precinct 101

"The whole process was both fun and rewarding in terms of giving back to our community. I thoroughly enjoyed it and am anxious to do it again in November."

Precinct 830

"I had an amazing team and Tom was a great help as well. Paulette and Robin were the best."

Precinct 170

"I had an enjoyable time yesterday working the election. To be honest, I was very nervous after going to the training and wondered what I had gotten myself into, but the three ladies and I worked well together and things went smoothly."

Precinct 570

"The funniest reason for a provisional ballot : the dog chewed up the original! "
