**STATEMENT OF CANDIDATE FOR  
UNITED STATES REPRESENTATIVE DISTRICT 1**

**Heidi Hall**

As your representative in Congress, my top priority will be to create jobs. I grew up in the North State, and I see the difficulties our working families face every single day. I will work with my colleagues across the aisle to make it easier for small business owners to create jobs and expand their businesses. I will support fiscal incentives for employers to hire veterans and training programs to get the long-term unemployed back into the workforce.

Extreme partisan bickering in Congress has held hostage sensible measures that can get our economy on track, including simplifying our tax laws, investing in education, and improving infrastructure.

I will work to protect our water in Northern California that is critical to the financial security of our farmers and ranchers. I will protect Social Security and Medicare and help students avoid crippling debt. I am very proud to have been endorsed by Democrats, Republicans, and independents from around the district.

I will bring responsible, common-sense leadership to Congress to end the gridlock and partisan bickering. I ask for your vote on November 4th.

<p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR REDDING CITY COUNCIL</b></p> <p><b>Francie Sullivan</b></p> <p><b>Occupation:</b> Vice Mayor, City of Redding</p> <p>This will be a pivotal election. Voters can chose to elect a Council majority who want to look to the future and make Redding “the best place to live, work and raise a family”. The alternative will be a Council taken over by those with a cynical view of both government and the public employees who provide our services. You will decide.</p> <p>I have a Bachelor of Science degree from Oregon State University. I served as a Shasta County Supervisor. I’m on the Board of One Safe Place, Renaissance Redding, founding Cabinet Member of The Women’s Fund and former President of the League of Women Voters. I’m a member of the Friends of the Library, Shasta Land Trust, American Legion Auxiliary, Farm Bureau, Shasta Living Streets, Growing Local, and the Arts Council. For more information go to franciesullivan.com.</p> <p>Our community shows up when there’s a problem. We come together to help neighbors. Together, we can clean up our town and make it a place that discourages criminal activity. I’ve worked hard to make Redding the best place it can be, but there is more work to be done. I want to continue that work. I need your vote.</p>	<p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR REDDING CITY COUNCIL</b></p> <p><b>Kristen Schreder</b> <span style="float: right;"><b>AGE: 58</b></span></p> <p><b>Occupation:</b> Businesswoman</p> <p>I was born and raised in Redding, graduated from Enterprise High and CSU, Chico. My husband, Jack, and I raised our children in Redding. I’m an education consultant and have secured more than \$70 million dollars in school construction funding for Redding area schools.</p> <p>My top priority is public safety, providing more police on the street to ensure our community is safe and secure.</p> <p>As a Redding City Council member I will help find effective solutions for Redding’s priorities, including public safety and pothole-free streets, all within a budget. As president of the Shasta Union High School District Board of Trustees I oversee a \$42 million budget, balancing and managing funding priorities for both students and the taxpayer.</p> <p>I know and understand how to work hard in our community, having founded local organizations that have made positive and meaningful differences in Redding.</p> <p>Stimulating business opportunities and job growth is critical. I have 28 years of experience building and maintaining a successful business.</p> <p>I have vision, a record of building collaborations with a proven ability to get things done.</p> <p>Vote for me, Kristen Schreder on November 4.</p> <p>For more information visit my website: <a href="http://schreder2014.com">schreder2014.com</a></p>
<p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR REDDING CITY COUNCIL</b></p> <p><b>Patrick H. Jones</b> <span style="float: right;"><b>AGE: 46</b></span></p> <p>Councilmember</p> <p>I would be honored to serve for a third term on the Redding City Council with your support. The past eight years have been challenging in many ways. Our goal is to deliver the highest quality service to the people of Redding. As a fiscal conservative I have fought to keep our spending in line with income. Pensions liabilities are at an all-time high and must be addressed today, not tomorrow. Crime is also at an all-time high and action must be taken now. I’m happy to support the introduction of an Auxiliary Volunteer Police Service dedicated to assist the Department with “extra eyes and ears” that are conducive to fighting crime. I have the experience and time to dedicate to make Redding a better place to work, live and play. I’m asking for your support this November, Thank You.</p>	<p style="text-align: center;"><b>STATEMENT OF CANDIDATE FOR REDDING CITY COUNCIL</b></p> <p><b>Mike Quinn</b> <span style="float: right;"><b>AGE: 61</b></span></p> <p><b>Occupation:</b> Business Owner</p> <p>The position of City Council member requires a solid education, extensive business experience and a commitment to the community of Redding. I am seeking this position with the intent of solidifying the important services that the City provides for its citizens and creating a strong economic atmosphere that recruits and retains a large, diversified core of businesses. I will use my experience as a business owner to see that businesses and citizens are treated fairly and that rates, fees and permits are appropriate and services are timely. My experience of more than 30 years in critical budgeting and financial business positions, service to the City of Redding on various Commissions and community service as a Board of Director for numerous local organizations makes this position a natural progression. The voice of the citizens must be heard and heeded. If elected to this position I will make decisions based on a progressive basis by taking into consideration facts and evidence and making a determination based on what is required by law, mandated by statute, fiscally responsible, morally acceptable and the will of the people. I encourage everyone to accept the responsibility of voting by registering and voting on November 4th.</p>

<p><b>Michael Dacquisto</b> AGE: 60</p> <p><b>Occupation:</b> Businessman, Bankruptcy Trustee</p> <p>My wife and I moved to Redding in 1994 to raise our children in this beautiful city. I have invested time in our community through volunteer work improving our library, creating the Sundial Film Festival, and fostering business growth. I have a vision for Redding and the ability to be an effective city council member.</p> <p>My first priority is a safe and secure community with local solutions to crime. Immediate steps we can take include using existing excess budget monies to hire Community Service Officers. This allows patrol officers to increase their time protecting citizens.</p> <p>I'll promote: (a) business growth emphasizing startup companies to create jobs, (b) responsible development of our outdoor amenities to encourage tourism and civic pride, (for example unused Sacramento River frontage), and (c) expanded educational opportunities, embracing vocational schools and four-year college options.</p> <p>I have 35 years of business experience, including 17 years as a bankruptcy trustee, with degrees from Stanford in economics and USC in law. This gives me a unique perspective in dealing with complicated financial issues and problems. To help people and solve problems, I listen to all views and work to achieve fair and reasonable solutions.</p> <p>Please visit <a href="http://www.votedacquisto.com">www.votedacquisto.com</a>. Thank you.</p>	<p><b>Brent M. Weaver</b> AGE: 39</p> <p><b>Occupation:</b> Business Owner</p> <p>I'm proud to be a candidate for Redding City Council. My wife Leanne and I live in Redding with our four children, just down the street from where I grew up.</p> <p>I'm a third-generation Redding native. My grandfather, father, and uncles operated Hughes Plywood and Hughes Redwood for nearly four decades. Ten years ago, I took over the family businesses.</p> <p>In 2007, the Great Recession hit. Times were tough, but wishing things would turn out alright wasn't going to get us through this crisis. I developed a strategic plan and, with my management team, set up the business for long-term success.</p> <p>Redding needs a strategic plan to fight crime. We need new ideas, positive energy, and a fresh perspective at City Hall. We need to create a plan, define solutions, and put these solutions into practice.</p> <p>I've spent the last year walking through neighborhoods and learning about the issues Redding residents care most about. If you give me the honor of representing you in the Redding City Council, I promise to fight to keep our neighborhoods safe and strong.</p> <p>Vote for me, Brent Weaver, on November 4th.</p> <p>Together we will take back our city, streets, parks, and neighborhoods.</p>
