## Voting Accessibility Advisory Committee (VAAC)

The Voting Accessibility Advisory Committee (VAAC) of Shasta and Tehama counties was established in 2014 and meets quarterly. Members of the VAAC are essential in participating in the process of improving access to voting and election materials. The VAAC provides recommendations that help ensure voters with disabilities and seniors can vote independently and privately.

Shasta and Tehama County Election departments are seeking knowledgeable and committed individuals who would like to participate and serve on the VAAC as volunteer members. Check out our website if you are interested in being a VAAC member or are curious about what we do. You also can contact our office for more information.

## The American flag

The Flag of the United States of America is a symbol of freedom and liberty. The flag consists of 13 alternating red and white stripes that represent the 13 original colonies, and 50 white stars on a blue field, with each star representing a state. The colors on the flag represent:

- Red: valor and bravery
- White: purity and innocence
- Blue: vigilance, perseverance, and justice

## Posting the flag at the polling place

The American flag must be displayed at the entrance of the polling place on Election Day. It assists the voter in identifying the polling place and every inspector is given an American flag with their polling place supplies.

Per Election Code 14105(f)

### Special Election in the City of Shasta Lake

Shasta Lake will have a Special Election on Tuesday, August 29, 2017. It is a single tax issue. Our office is actively preparing for this election by conducting polling place surveys and recruiting poll workers.

### Coloring Contest in June

Our office held it's annual coloring contest for ages 1-13. Contestants artwork was voted on by our Facebook and Twitter followers! Their artwork is displayed in our office and on our social media pages. The winner received a \$40 Barnes & Noble gift card.
