

As candidate for Shasta County Sheriff, I am dedicated, motivated and not afraid to challenge the status quo. I possess a bachelor's degree in Criminal Justice and bring 27 years of local law enforcement experience and leadership.

I can no longer stand by and watch the quality of life in Shasta County deteriorate before our eyes. I am not willing to sit idly by as our sheriff's department is destroyed from within leaving us with a revolving jail door, rampant crime and drug abuse that has eroded our community for the last 12 years.

As your sheriff I will bring accountability, unprecedented public involvement, innovative funding solutions and new life into office. I will ensure collaboration and communication between all public safety entities, something we have not seen in a long time.

Simply put, I am a 27-year veteran cop who wants to make a difference. It's time to bring Shasta County back! If you want positive change, join me in the attack on the same old excuses to the same old problems. I stand for integrity, public safety and protecting the constitution and our American way of life.

Please vote for me, John Greene, Shasta County Sheriff.
