

My name is Melissa Hunt and I was born and raised in Shasta County. I have a Master's Degree in Education from Simpson University. I have been a teacher, business manager, and self employed.

As a Councilmember for Anderson, I am an advocate for Veterans, Seniors, Children, Women, and K-9s. As the creator of Melissa On The Roof, I raised almost \$50K for local non-profits that include CASA, One Safe Place, Plus One Mentors, and Law Enforcement K-9's.

I have served on the following boards: Haven Humane, RABA, Anderson Public Financing Authority, Redding Area Water Council, and the Munns & Regelin Memorial Bench Honors Fund to name a few. I currently serve as the League of California Cities Sacramento Valley President which gives cities from 18 counties in Northern California a voice in Sacramento.

My priorities for Shasta County are Public Safety in rural communities, lowering crime rates, more beds in the jail, and making the County user-friendly for residents and developers alike.

I have been on the Anderson City Council for 11 years and Anderson is Thriving! Let's get Shasta County to thrive! I ask for your vote! [530-378-1782](tel:530-378-1782) MelissaInAnderson@yahoo.com
