## Poll Worker Newsletter

Shasta County Registrar of Voters

Spring 2018

### What is conditional voter registration?

Eligible residents who miss the voter registration deadline will now have the option to participate in an election through Conditional Voter Registration (CVR). CVR allows a voter to conditionally register to vote during the 14 days preceding and on Election Day and then cast a CVR provisional ballot. CVR provisional voting is only allowed at our office.

What does this mean to you as poll workers?

We are asking you to take an extra look when issuing a provisional ballot. If the voter is not on your roster politely suggest for them to come to our office. If for some reason they cannot come to our office, you may still issue a provisional ballot and we will determine their eligibility.

### Coloring Contest starts on April 1st and ends on April 30.
