State Senate, District 1

Brian Dahle

Occupation: Senator/Farmer/Businessman Age: 54

I am a small business owner and citizen legislator who fights the special interests and political elites to build a better future for Shasta County.

I helped defeat \$29 billion in new taxes and kept property taxes down by protecting Prop 13 so you can keep more of your hard-earned money.

Passed bipartisan legislation to prevent gouging of hospital patients with surprise out-of-network bills. We improved access to preventative care and made pharmaceutical companies more accountable for rising drug prices, driving down the price of healthcare.

I held agencies accountable for wildfires. Working to prevent future wildfire disasters by giving firefighters more support and new rules for better forest management.

I'm pushing to fix our electrical grid so that Californians will have more reliable power. That won't be easy, but count on me to lead the fight to ensure Shasta County residents have reliable electricity.

As your Senator, I will continue working across party lines to help Shasta County's taxpayers, schools, small businesses and the tourism industry.

Secured funding for career technical education and after-school programs to help students find good-paying jobs.

Passed legislation to fund better rural internet to improve service across Shasta County.

My record earned me 100% ratings from the California Taxpayers Association and California Police Chiefs Association.

Shasta County public officials, law enforcement, business and Ag leaders support my campaign. I hope you will as well.
