

Paid Candidate Statements

Candidates have the option to prepare and pay for a statement to be printed in this guide. A complete list of candidates can be found on the Sample Ballot in this guide. Statements are printed in the random alpha order conducted by elections officials.

Shasta County Supervisor, District 2

Dale Randall Ball

As a lifelong resident of Shasta County, I have always been interested in creating positive change. As an adult, I have remained committed to working for the betterment of our community. Particular areas of my concern are public safety, mental health, homelessness, and quality of life for our residents. After years of dedicated volunteer service, it has become apparent I need to step up and run for the District 2 Supervisor seat in an effort to spur positive change. I believe there are workable solutions to serve our community more efficiently. We need to utilize every resource available and concentrate on securing funding and grants to allow for the incarceration of offenders while offering treatment and rehabilitation to reduce recidivism. I have received overwhelming support from the public, including active and retired community leaders, law enforcement and firefighters. As an active community volunteer, I have worked countless hours for positive change in Shasta County, including being Co-Founder of Shasta Support Services, on the Advisory Board of Continuum of Care, and a Committee Member of HUD Point in Time. When elected, I will work full time in an effort to find workable solutions. 530-351-1557.

Leonard Moty

Occupation: Incumbent

This is a critical time for Shasta County. A new CEO and Sheriff, homelessness, and jail bed shortages to hold criminals accountable; this is when a County Supervisor with knowledge, experience, education, and a financial background is needed most. This is my twelfth year on the Board. I'm a native of Shasta County living in District 2 for 29 years.

I'm the county representative on the California State Association of Counties Board of Directors and also on their Executive Committee. I serve on the Sierra-Sacramento Valley EMS board (ten counties), the Regional Transportation Agency, three boards dealing with water issues, as well as others.

I worked for the Redding Police Department for 31 years, including six as Police Chief and also served as Assistant City Manager. I have previous experience in the private sector.

I have a Bachelor degree in Business Administration from the University of Notre Dame and a MBA from the University of Southern California.

I've served on a variety of boards including Centerville CSD, Mercy Foundation North, YMCA, Shasta Regional Community Foundation, Leadership Redding, and Mercy Advisory Council to name a few.

I look forward to resolving the challenges facing Shasta County and would appreciate your vote.
