Shasta County Supervisor, District 3

Mary Rickert

Occupation: Incumbent/Rancher/Businesswoman Age: 67

It has been an honor and privilege representing the constituents of District 3.

I have been actively involved in many issues that include increasing jail bed capacity by 112 beds, maintaining a low priority State ranking for SGMA in Fall River Valley, and holding workshops on how to protect property against wildfire. I was part of the selection committee for the new Shasta County Resource Management Director to improve customer service. I'm working on an agri-tourism ordinance and the establishment of the Shasta County Fire Safe Council. I have advocated for bringing Medically Assisted Treatment (MAT) and Jail Based Competency Treatment (JBCT) to be implemented in the Shasta County Jail. I am supporting the expansion of the Sierra Nevada Conservancy boundaries for Shasta County to increase funding for fuel reduction/restoration projects.

Shasta County continues to struggle with addiction, mental health and homeless problems. By promoting treatment programs while incarcerated, we can reduce recidivism. I look forward to working with a new law enforcement administration and continue to increase jail bed capacity.

As your supervisor, I will remain accessible and responsive to your questions and concerns. Thank you for your support.
