Office Filing Procedures

Given the unique circumstances of the 2020 candidate filing period we are adjusting our office procedures. This includes several changes from previous years such as requiring appointments for candidate filing and increased options for online and mail filing. We are asking you to complete the following steps to successfully file your candidacy forms and documents.

1. Complete an application

Complete a Candidate Application. The application is available on our website at <https://www.elections.co.shasta.ca.us/candidate-application/>. Candidates may also request this application be sent by mail or email. The application collects information about you, the candidate: what seat you are interested in and your preferred method(s) of contact.

2. Review and complete required forms

When we process your application, we will then issue you a candidate packet. This packet includes the necessary forms and aids to complete the candidate filing process.

- Complete each form, but do not sign or execute.
- Review and proofread all pre-filled information. Some forms will have some information completed, based on the application you completed.

3. Submit the completed forms to the office for review.

Return your forms via fax at 530-225-5454 or via email elections@co.shasta.ca.us.

4. Schedule an appointment for execution.

After we review your forms, we will contact you to schedule an appointment. During this appointment, you will sign the Declaration of Candidacy. This appointment may be conducted in person at 1643 Market St, Redding, or online through the Go-to-Meeting online software.

When processing the appointment online, candidates must have an internet connected camera. If a candidate is unable to attend an appointment in person or through the Go-To-Meeting software they will need to file by mail.

Appointments are available July 13th through July 31st Monday through Friday 8:30 am to 4:00 pm.

Starting on August 4, we are available for walk ins on a first come first serve basis.

A candidate may also file by mail. If you choose to file by mail, a notary public must witness the execution (signature) on the declaration of candidacy.

5. Return all original documents.

After signing, candidates must return all original documents to the Election Office before 5:00 PM August 7th.

Official Canvass

California law provides 28 days after an Election to complete and certify the results. The canvass will begin no later than **Thursday, November 5**.

The day after an election there are still countywide ballots being processed and counted. These uncounted ballots may leave some close races undecided and the results unofficial for days or even weeks.

Categories of ballots processed during the Official Canvass:

Vote by mail ballots turned in on Election Day

Vote by mail ballots dropped off at the polling places or in official ballot drop boxes on Election Day. These ballots are sorted and the voter's signature verified before they are counted.

Write-In Ballots

Each ballot containing a write-in vote must be individually reviewed. The results of vote tallies for write-in candidates are not available until the conclusion of the official canvass.

Provisional Ballots

Provisional ballots, which include Conditional Voter Registration ballots, or same day voter ballots, are processed individually. The elections office researches and verifies these ballots counting or rejection in accordance with election laws.

Damaged Ballots

Some ballots experience damage during mailing, transport, or tally. Multiple review teams must process and approve these ballots. These teams duplicate the ballot exactly. The duplicated ballot is tallied and included in the official count.
