

## **Patrick Henry Jones**

**Age: 51**

I have lived in Shasta County over 50 years and worked at Jones' Fort most of my life. I attended Shasta College and Sacramento State University. I am married to my beautiful wife, Lori Barclay Jones. I served on the Redding City Council from 2006 to 2014 and was Mayor in 2010. I served my community with consistent leadership and integrity through a very tough recession.

The coronavirus has disrupted much of our normal life in Shasta County. The virus is to be taken seriously for those at risk. However, closing Shasta County has had a severe economic impact on our local businesses and families and keeping them closed is not the answer. The current board of supervisors are not allowing open public meetings and restricting the peoples ability to view our opinions. We must open Shasta County now.

I would like to be part of a representative government that the people can trust. I will always be honest. The people of Shasta County deserve that. You can reach me at [patrickhenry@live.com](mailto:patrickhenry@live.com) or give me a call (530) 222-3223.

I'd be honored to earn your vote. Thank You.
