

JIM "O.G." MARK

The past 30 years studying successful good government concluding The Constitution, honoring the Oath of Office, body-cameras for Shasta Lake law enforcement, removing the state of California from Our backs, while maintaining the unique City of Shasta Lake small country town feel is preferred.

Past notable accomplishments: Former congregational president of Temple Beth Israel as well as; Board Chair of Redding's Martin Luther King Jr Center, where I helped direct a successful campaign in recognizing the importance of honoring the present Martin Luther King Jr. county wide holiday, and reviving Our oldest Christmas Tradition (with help), i.e., Shasta Dam Workers Christmas "Rock the Tree" event; always the first Saturday in December - rain or shine.

I am looking forward to serving you on the Shasta Lake City Council - Let's Do This and thank you for your vote.
