

Name: Adam McElvain

Occupation: Mayor/Business Owner

I have served you for the past four years on the city council, and now as your Mayor. I would be honored to serve you for another term.

I am a veteran, business owner, father/husband, past city commissioner, Simpson graduate, and have served on numerous boards and commissions.

Since I took office in 2016 our police department has become stronger, more pro-active, and better trained. Our community service officer program is completely rebuilt, proactive police calls have more than doubled, response times have dropped significantly, and total crimes have dropped every year.

Our fire department has more firefighters today than in the history of our city, and we are far more prepared for wildfires.

There is \$700 million of investment happening city-wide, and you can see the transformation everywhere. Despite the current pandemic, our city's heartbeat is strong, and our downtown is experiencing growth not seen in decades.

We still have a lot of work to do, and my top priorities to you will continue to be public safety and economic development.

I would be honored to have your vote for a second term on the City Council.
