

Steve Morgan's Official Candidate Statement

Steve Morgan

Occupation: Supervisor/Vietnam Veteran

I am running for re-election to the Board of Supervisors to represent the citizens of District 4 and Shasta County. My record of trust, integrity, commitment, and proven leadership is the foundation of my service. As your Supervisor, I have worked hard to advocate for taxpayers, businesses, and public safety. I am committed to expanding economic prosperity through the creation and retention of local jobs. I believe in supporting our education partners as they prepare our future workforce. Our public's safety and supporting law enforcement agencies and first responders are paramount. I am a Vietnam Veteran and advocate for our military and Veterans. As a submarine sailor, I learned the importance of teamwork, working together to face challenges and find solutions. Drug addiction, homelessness and lack of housing are problems we face today and into the future. My conservative approach to budgeting, supporting industry and business, and commitment to safe and healthy communities earned me endorsements from The Greater Redding Chamber of Commerce, District Attorney Stephanie Bridgett, Shasta County Deputy Sheriff's Association, Sheriff Eric Magrini, Operating Engineers-Local 3, Sierra Pacific Industries and many local leaders and business owners. I'd be honored to receive your vote.
