

Citizens of Mt Gate

My name is David Selby and I am running for the board of directors in Mt Gate.

A little history on myself, I have lived in Mt Gate all my life and I have been on the board of directors in the past. At that time, I worked with the board to help build up our department.

I joined the fire department the third week after it was formed in 1963. I worked myself up to fire chief the last 7 years I was in the department.

I have seen our C.S.D. grow from a small group of water users to what it is today. There were no improvements to the water district in over 30 years. I was appointed to fill an opening on the board. While I was on the board and with the help of the board and staff, we started to see improvements and moving forward to upgrade our district.

I believe by voting for me is a vote for the district. There are a lot of improvements that need to be done and I believe a vote for David Selby will help get some of those needs started.

Thank you for your time for reading this letter, you can contact me at 530-945-2324

Thank You

David Selby
