

Name: Julie Winter

Occupation: Councilwoman/Nurse Practitioner

Despite significant challenges, I am proud of what has been accomplished in the past four years while still maintaining responsible fiscal management. Together we reorganized top leadership positions, eliminated a \$30M budget deficit, increased our “rainy day” reserve, and planned for the future by addressing much-needed repairs to vital infrastructure. We initiated a wildfire fuel mitigation plan, hired additional officers, firefighters, and code enforcement staff, and strengthened ordinances related to trespassing, panhandling, and illegal camping. Public safety remains a top priority.

I will continue to push for revitalization of our downtown, and look for opportunities along our riverfront. I will work with our start-ups, entrepreneurs, and business owners to eliminate barriers for job growth and leverage our natural assets and human capital to attract the skilled workers we need for job growth.

My medical practice keeps me in touch with the tough issues our citizens face and helps me to focus on root causes so that we do not just treat symptoms. Help me create a city where all citizens thrive. Vote for Julie Winter. www.juliewinter.com
