

CANDIDATE STATEMENT FOR
California State Assembly District 1
Megan Dahle

Occupation: Assemblywoman/Farmer/Businesswoman

It's far past time our lives return to normal and we work together to get California back on track.

To ease the high cost of living and slow down inflation, I fought to protect Prop 13, lower taxes, reduce gas prices and make healthcare affordable.

Crime is out of control. I'm pushing to repeal liberal laws that released criminals and reduced penalties, allowing thieves to steal almost \$950 without being prosecuted for a felony.

Our students have experienced devastating learning loss and impacts to mental health. I'll continue advocating for our communities to have the resources needed to ensure students have the bright futures they deserve.

Needless regulations waste time and inflate the costs of products. I'm using my small business experience to cut red tape and increase government efficiency.

I'm a farmer who is working to increase above ground water storage to get Shasta County farms and families the water they deserve.

By improving forestry management and power line maintenance, I hope to prevent catastrophic wildfires and keep the power on.

The California Association of Highway Patrolmen supports my campaign to move California forward. Please join them and visit www.votemegandahle.com

I'd be honored to have your vote.
