As your Sheriff, I am honored to serve residents of Shasta County remain committed to protecting your constitutional rights, liberty, and property. With 26 years of continuous, active experience in law enforcement, I worked through the ranks at city and rural county agencies. I served as the City of Anderson Police Chief for nine years before becoming your 23rd Shasta County Sheriff-Coroner.

I am dedicated to delivering the highest quality law enforcement to the communities we serve.

I hold all CA POST Certifications, a Bachelor's Degree in Wildlife Management, Master's Degree in Criminal Justice, and graduated from the FBI National Academy in Quantico.

I'm actively involved in our community service organizations, including Anderson Rotary, Youth Violence Prevention Council, Asphalt Cowboys, Children's Legacy Center and Community Corrections Partnerships.

Since August, I have worked to improve public safety and services by increasing our numbers on patrol and in the jail; added resident deputies to rural substations; led the County's Illegal Cannabis Eradication Program; instituted a multi-agency investigation team. My top priority - coordinating joint agency partners and staffing the new Shasta County Corrections & Rehabilitation Center.
