

CANDIDATE STATEMENT FOR
Shasta County Superintendent of Schools
Judy Flores

It is an honor to serve schools, families, and school communities as Shasta County Superintendent of Schools. My 32-year career in education in Shasta County includes being a teacher, district administrator and assistant county superintendent. I have a clear understanding of the role of County Superintendent of Schools. I have built trusting relationships with educators and community agencies. Please check my website (www.judyflores.info) to see the hundreds of local educators and community members who endorse me, along with specific examples of the impact my leadership has had. I am proud of what we have accomplished and appreciative of the trust and respect of so many in the community. I look forward to continuing to lead our early childhood and school-age programs in support of students and families. It would be an honor to have your vote.
